AANA Journal

Volume 67
1999 AANA Journal Index

The following is an index of the major topics addressed in the *AANA Journal* during 1999. The index is alphabetized according to headings, and entries appear in chronological order within the headings. Author and subject indexes are integrated.

A

AANA Foundation Poster Session abstracts presented at the Poster Session of the 1999 Annual Meeting in Boston Massachusetts:
A1. Variability in the ASA PS classification (Aronson WL, McAuliffe MS), 441
A2. Efficacy of preoperative convective warming in maintaining perioperative normothermia (Asbury JC, Hignight DD, Smith TL, Smith AA), 442
A3. Sophie Gran Jevne Winton: A woman before her time (Bennett LA, Jerabek BA, Johnson ME), 442
A4. Ethical decision-making by Certified Registered Nurse Anesthetists (Bosek MS), 443
A5. Comparison of the length of stage II labor and incidence of forceps and cesarean delivery following epidural infusion of 1.25% bupivacaine with 2 mcg/cc fentanyl as compared to .0625% bupivacaine with 2 mcg/cc fentanyl (Garcia JI, Brow CS III, Pellegrini JE), 443
A6. Faculty perceptions of characteristics needed for clinical success at military nurse anesthesia programs (Clayton BL, Lypek DJ, Connelly LM), 444
A7. The effects of adding morphine to the brachial plexus block solution in delaying the onset of post surgical pain (Clise DL, Budnich CS, Huffman TS, Kline LA, Rathjen LBL), 444
A8. The effects of humidity and mean airway temperature on core body temperature (Delventhal MA, McAuliffe MS), 445
A9. Comparison of intrathecal ropivacaine (0.75%) and bupivacaine (0.75%) for arthroscopic knee surgery (Ferguson JP, Hernandez D, Olson RL, Vacchiano CA), 445
A10. Determination of the optimal volume of oxygen reservoir tubing for use with the Ohmeda U-PAC drawover vaporizer (Gegel BT, Salmi MC, Zitzelberger JJ), 446
A11. Does clinical practice reflect research based-knowledge? (Gold ME, Malik-Verk U, Valdez T, Manz IL), 446
A12. Patient satisfaction with postoperative pain management in patient-controlled analgesia (PCA) versus non-PCA patients: Is it gender dependent? (Gold ME, Roth EM, Woolley JL, Gold JA), 447
A13. Does epidural analgesia for patients with blunt chest trauma reduce hospital length of stay (Groh JM, Minore L, Horst HM, Sinkovich J), 447
A14. The effectiveness of the Pall BB25A HME filter during extended use of an anesthesia circuit (Hanover JJ, Hiscock JT, Fryzel SA, Tischler JM, Walsh WT, Hunt TE, Gerbasi FR), 448
A15. The effect of the protease inhibitor ritonavir on the rate of metabolism of midazolam (Haritos G, McCarthy EJ, Levine E, Chertsniakova S, Cantilena LR Jr), 448
A16. BIS monitoring during conscious sedation and the application of sedation protocols (Do M, Homyak K, Wesley N, Curtis K, Dabideen H, Desai H, Ganatra B, Hunt T, Woodward-Volz S, Gerbasi F), 449
A17. A "Community Partnership Program" employing human simulation; Virginia Commonwealth University, Department of Nurse Anesthesia and Richmond Public Schools (Hotchkiss MA, Fletcher JL, Howell DL, Fallacaro MD), 449
A18. Does intraoperative hetastarch administration increase blood loss and transfusion requirements following cardiac surgery? (Knutson JE, Deering JA, Hall FW, Nuttall GA, Lange CM, Mullany CJ, White RD), 450
A19. Recommendations for perioperative management of the patient at risk for latex allergy: A survey of allergists (Mann JE, O'Donnell MP), 450
A20. Microbial growth on the anesthesia machine (Maslyk PA, Nafziger DA, Burns SM, Bowers PR, Dunne WM), 451
A21. Post anesthesia short-term quality of life: A tool to measure outcomes (May CL, Oakes KJ, Ellington KJ, Neill K, Olson RL, Vacchiano CA), 451
A22. A study of gastric myoelectrical activity and nausea in the perioperative period (Maye JP, Thompson CL), 452
A23. A comparison of two lubricants when used with the laryngeal mask airway on the incidence and severity of sore throat (McKay DW, Banks DW, Wolfe BC, Anliker EJ, Albee DT, Newcomer T), 452
A24. Body core temperature under anesthesia applying to two warming methods (Michaels L, Kellogg B, Nagelhout J, Callahan L), 453
A25. 1% Lidocaine injection, EMLA cream or "Numby Stuff" for topical analgesia associated with peripheral IV starts (Miller K, Balakrishnan G, Eichbauer G, Betley K), 453

A26. CRNA position availability in North Carolina for the next five years (Moorefield JA, Sanders BD, Hall JM, Hussey LC, Algozzine RF), 454
A27. A study of clinical decision making by Certified Registered Nurse Anesthetists (Kremer MJ, Faut-Callahan M, Hicks F, Halstead L, Shott S), 454
A28. The utilization of hypnosis in the OR: A survey & analysis (Capozziello MM), 519
A29. Retrospective evaluation of bedside percutaneous tracheostomy versus open surgical tracheostomy in intensive care unit patients (Cardneau AJ, Wagner J, Manningham R, Pacini CM), 520
A30. Color hue and its association with pain intensity (Fortner MS, Hall J, Hussey LC, Algozzine RF), 520
A31. Effect of acrylic nails on the accuracy of finger probe pulse oximetry (Morcom WD, Marschean MS, Jones DL, Shafer DA), 521
A32. The analgesic efficacy of metoclopramide on postoperative laparoscopic tubal ligation patients (Movinsky BA, Gibbs RD, Pellegrini JE), 521
A33. Effect of prewarmed intravenous fluid on core temperature in patients undergoing laparoscopic procedures (Bauer G, Norbeck K, O'Donnell MP), 522
A34. Clinical experiences nurse anesthesia students find most and least beneficial at three stages of clinical education (Ostermeyer BD, McAuliffe MS), 522
A35. The effect of nalmefene on side effects from intrathecal morphine at cesarean section (Pellegrini J, Bailey S, Graves J, Shott S, Faut-Callahan M), 523
A36. The prevalence of visible and/or occult blood on anesthesia and monitoring equipment (Perry SM, Monaghan WP, McAuliffe MS, Levine E, Saba V), 523
A37. The effect of preoperative administration of ketorolac on postoperative bleeding in anterior cruciate ligament reconstruction (Quintanilla AC, Silvasy AM), 524
A38. Regional anesthesia in North Carolina (Sanders BD, Moorefield JA, Hall JM, Hussey LC, Algozzine RF), 524
A39. A double-blind randomized placebo controlled trial of magnesium oxide for alleviation of chronic low back pain (Schrader J, McDonough JP, Haigney M, Statkus J, Levine E, Silver B, Rehak N), 525
A40. Efficacy of iontophoretic delivery of lidocaine in providing dermal anesthesia prior to placement of a spinal needle introducer (Sellers TK, Koshiol J, Pellegrini JE), 525
A41. The use of nalmefene for intrathecal opioid associated nausea in postpartum patients (Ward R, Hawkins R, Lawrence R, Dichiara S, Biegner A, Vacchiano C), 526
A42. Spanish phrase CD-ROM for anesthesia (Hintz SJ, Rote DY), 526
A43. Factors influencing status identification as a nurse anesthetist among graduate students (Waugaman WR, Lohren DJ), 527
A44. The effect of an educational intervention on pain outcome measures in oncology patients (Wiley JC, Paice J, Frame D, Faut-Callahan M, Kremer M, Shott S, Bonomi P), 527
A45. Assessment of validity and reliability of a neurophysiologic evoked potential instrument (Wilson WO), 528
A46. The efficacy of intravenous and oral dolasetron in preventing postoperative vomiting in pediatric tonsillectomy and adenoidectomy procedures (Schultz H, Winterlee T, Achwal M, Hunt T, Gerbasi F, Dell T, Lavoie R, Zuwala R), 528
A47. Is there a significant difference in nurse anesthesia student test results when either a standard lecture format or simulator guided teaching method is used? (Wygrecki D, Cook K, Crawforth K), 529
A48. Effect of instructional videotape on preoperative anxiety (Schaffer D, Davis K, Hill J, Jarvis A), 529
A49. The effect of preemptive versus postincisional ketorolac administration on postoperative pain in knee arthroscopies (Amaya SM, Amaya CC, DuBois BL, Patterson JD, Park WC), 530
A50. Postoperative recovery times greater than ninety minutes after general anesthesia (Joseph GE, Golinski M, Sledzinski K, Haney T), 530
AANA Journal Course No. 18 1999 Evaluation Form, 183
AANA Journal Course No. 18 Examination Information—Update for nurse anesthetists, 181
AANA Journal Course No. 18 Examination—Update for nurse anesthetists (answer form), 182
AANA Journal Course No. 18 Examination—Update for nurse anesthetists (examination questions), 186
AANA Journal Course No. 18—Update for nurse anesthetists (examination answers), 379
AANA Journal Course
Part 6—Anesthetic management during electroconvulsive therapy: Effects on seizure duration and antidepressant efficacy, 87; Part 1—Magnesium homeostasis and deficiency, 171; Part 2—Accelerated detoxification from opioid addiction under anesthesia: The Midas touch or the emperor's new clothes? 279; Part 3—Anesthetic considerations for minimally invasive direct vision coronary artery bypass grafting, 361; Part 4—Anesthesia-related noncardiogenic pulmonary edema: A literature review, 469; Part 5—Utilizing the Ohmeda draw-over vaporizer in the operating room, 533
Academic dismissal:
Legal implications of evaluation procedures for students in healthcare professions, 73
Accountability: see Practice Issues, 115
Accreditation: see Legal Briefs, 13; see Education News, 225
Acupuncture:
The pathophysiology of pain, 349
Acute/critical care experience:
Essential skills and knowledge of applicants, 273
Addiction: see *AANA Journal* Course, Part 2, 279
Admission (nurse anesthesia education programs): see Education News, 121; Essential skills and knowledge of applicants, 273
Admission criteria (nurse anesthesia education): see Education News, 21
Adult education: see Education News, 495
Adverse outcomes:

Maintaining intraoperative normothermia: A meta-analysis of outcomes with costs, 155; see Letters, 307
Airway obstruction:
Negative pressure pulmonary edema after a tonsillectomy and adenoidectomy in a pediatric patient: Case report and review, 425; see *AANA Journal* Course, Part 4, 469
Alcoholism: see *AANA Journal* Course, Part 1, 171
Alice Magaw: see Imagining in Time, 33
Alkaptonuria: Alkaptonuric aortic stenosis: A case report, 145
Allergy: A comparative analysis of latex allergy in the healthy versus high-risk pediatric population, 461
Analgesia:
see Letters, 107; Effect of intrathecal fentanyl dose on the duration of labor analgesia, 239; Effects of intrathecal fentanyl on duration of bupivacaine spinal blockade for outpatient knee arthroscopy, 337; The pathophysiology of pain, 349; The knowledge and attitudes of nonanesthesia nurses regarding postoperative epidural analgesia, 455
Andrews JD: Laparoscopic cholecystectomy for the adult with unrepaired tetralogy of Fallot: A case report, 67
Anesthesia breathing circuit: To reuse your circuit: The HME debate, 433
Anesthesia complications: Postoperative sore throat: Incidence and severity after the use of lidocaine, saline, or air to inflate the endotracheal tube cuff, 49
Anesthesia providers: see Legal Briefs, 109
Anesthesia: see *AANA Journal* Course, Part 6, 87; see Legal Briefs, 109; see Practice Issues, 115; see *AANA Journal* Course, Part 2, 279; Negative pressure pulmonary edema after a tonsillectomy and adenoidectomy in a pediatric patient: Case report and review, 425; see *AANA Journal* Course, Part 5, 533
Anesthesia system: see *AANA Journal* Course, Part 5, 533
Anesthesia techniques: see Imagining in Time, 33; 263
Anesthetists:
see Practice Issues, 115; Controlled drug misuse by Certified Registered Nurse Anesthetists, 133
Antidepressant efficacy: see *AANA Journal* Course, Part 6, 87
Antitrust: see Legal Briefs, 213
Anxiety:
A national study: Stress perception by nurse anesthesia students, 79; see Letters, 211
Aortic stenosis:
Alkaptonuric aortic stenosis: A case report, 145
Applicants (nurse anesthesia education programs): Essential skills and knowledge of applicants, 273
Application process (nurse anesthesia education programs): see Education News, 121
Arrhythmias: see *AANA Journal* Course, Part 1, 171; Epinephrine-induced potentially lethal arrhythmia during arthroscopic shoulder surgery: A case report, 419
Arthroscopic surgery:
Effects of intrathecal fentanyl on duration of bupivacaine spinal blockade for outpatient knee arthroscopy, 337; Epinephrine-induced potentially lethal arrhythmia during arthroscopic shoulder surgery: A case report, 419
Attendance (work): see Legal Briefs, 405
Attrition (nurse anesthesia education): see Education News, 21
Auditory middle latency response:
Relationship of auditory middle latency response and stem-word completion test as indicators of implicit memory formation during general anesthesia, 247

B

Backscatter radiation:
Radiation exposure of Certified Registered Nurse Anesthetists during ureteroscopic procedures using fluoroscopy, 53
Bacteriostatic heat and moisture exchanger:
To reuse your circuit: The HME debate, 433
Bell DM, McDonough JP, Ellison JS, Fitzhugh EC: Controlled drug misuse by Certified Registered Nurse Anesthetists, 133
Benodiazepines:
When the drug trial fails: An approach to clinical drug studies, 505
Benzodiazepine antagonism:
The effect of flumazenil on patient recovery and discharge following ambulatory surgery, 229
Berry JS, Heindel L: Evaluation of lidocaine and tetracaine mixture in axillary brachial plexus block, 329
Biddle C: see *AANA Journal* Course, Part 2, 279
Black JL: see *AANA Journal* Course, Part 6, 87
Blodgett VD: see Letters, 107
Blumenreich GA: see Legal Briefs, 13; 109; 213; 311
Books of Interest:
Understanding Anesthesia Equipment (reviewer: Dosch MP), 491
Bowel resection: see *AANA Journal* Course, Part 1, 171
Brachial plexus block, axillary:
Evaluation of lidocaine and tetracaine mixture in axillary brachial plexus block, 329
Bradford BC: see Reimbursement News, 39
Bradycardia:
Heart block after induction of anesthesia in a child, 326
Breathing circuit:
To reuse your circuit: The HME debate, 433
Bupivacaine:
Effects of intrathecal fentanyl on duration of bupivacaine spinal blockade for outpatient knee arthroscopy, 337
Bypass, coronary artery: see *AANA Journal* Course, Part 3, 361

C

Cardiac arrhythmias: see *AANA Journal* Course, Part 1, 171
Cardiac surgery: see *AANA Journal* Course, Part 3, 361
Carroll-Perez I: see Perez EC; Letters, 211
Cataplexy:
Anesthesia considerations for patients with narcolepsy, 59
Cato J: see Elnitsky C
Celeski DC, Heindel L, Haas J, Vacchiano CA: Effect of intrathecal fentanyl dose on the duration of labor analgesia, 239

Certified Registered Nurse Anesthetists: see Anesthetists
Change: see On Leadership, 167
Chemical dependency:
Controlled drug misuse by Certified Registered Nurse Anesthetists, 133
Child:
Heart block after induction of anesthesia in a child, 326; Negative pressure pulmonary edema after a tonsillectomy and adenoidectomy in a pediatric patient: Case report and review, 425; A comparative analysis of latex allergy in the healthy versus high-risk pediatric population, 461
Chloroform: see Imagining in Time, 33
Cholecystectomy:
Laparoscopic cholecystectomy for the adult with unrepaired tetralogy of Fallot: A case report, 67
Ciresi SA: see *AANA Journal* Course, Part 5, 533
Clinical training:
Legal implications of evaluation procedures for students in healthcare professions, 73
Clinical trials:
When the drug trial fails: An approach to clinical drug studies, 505
Comfort:
Anesthetic considerations in patients undergoing percutaneous radiofrequency interstitial tissue ablation, 467
Compensation: see Legal Briefs, 405
Competence: see Education News, 409
Complications:
Postoperative sore throat: Incidence and severity after the use of lidocaine, saline, or air to inflate the endotracheal tube cuff, 49; see Letters, 107; Maintaining intraoperative normothermia: A meta-analysis of outcomes with costs, 155; see Letters, 307
Congenital heart disease:
Laparoscopic cholecystectomy for the adult with unrepaired tetralogy of Fallot: A case report, 67
Congress: see Washington Scene, 319
Consent to settle: see Legal Briefs, 311
Controlled drugs:
Controlled drug misuse by Certified Registered Nurse Anesthetists, 133; see *AANA Journal* Course, Part 2, 279
Conversion factors: see Reimbursement News, 39
Cooperation:
Anesthetic considerations in patients undergoing percutaneous radiofrequency interstitial tissue ablation, 467
Coronary artery bypass grafting: see *AANA Journal* Course, Part 3, 361
Coronary revascularization: see *AANA Journal* Course, Part 3, 361
Cost-effectiveness:
Maintaining intraoperative normothermia: A meta-analysis of outcomes with costs, 155; see Letters, 307

Research in Action abstracts presented at the 1999 Annual Meeting in Boston, Massachusetts:
1. The addition of ketorolac to lidocaine intravenous regional block of the upper extremity (Johnson CN, Heindel LJ, Shin AY, Olson RL, Vacchiano CA), 369

2. The impact of nalmefene on side effects from intrathecal morphine at cesarean section (Pellegrini JE, Bailey SL, Graves J, Schott S, Faut-Callahan M), 370
3. Does intraoperative hetastarch increase blood loss and transfusion requirements after cardiac surgery? (Knutson JE, Deering JA, Hall FW, Nuttall GA, Lange CM, Mullany CJ, White RD), 370
4. Variability in the ASA physical status classification scale (Aronson WL, McAuliffe MS), 371
5. Prevalence of visible and occult blood on airway management equipment outside the operating room (Nikkola RJ, Monaghan WP, Madden LA, McCarthy EJ, Levine E), 372
6. The analgesic efficacy of metoclopramide on postoperative laparoscopic bilateral tubal ligation patients (Movinsky B, Gibbs R, Pellegrini JE), 372
7. Determination of the optimal volume of oxygen reservoir tubing for use with the Ohmeda U-PAC drawover vaporizer (Gegel BT, Salmi MC, Zitzelberger JJ), 373
8. Assessment of validity and reliability of an evoked potential neurophysiological instrument (Wilson WO), 373
9. The addition of interscalene block to general anesthesia for patients undergoing open shoulder procedures (Olson RL, Gohl MR, Moeller RK, Vacchiano CA), 374
10. The effect of chronic cocaine on cerebral hemodynamics in dogs (Visco E, Lam A, Artru A, Bernards C), 374
11. Developing effective partnerships (Provost RM), 375
12. Differences in the clinical manifestation of malignant hyperthermia during the administration of volatile anesthetics (McCarthy EJ, Carter M, Smith T), 376
13. Changes in cerebrospinal fluid density with age (Comstock LK, Nezat GG, Olson RL, Vacchiano CA), 376
